

CORAL STONE

WALL LIGHT

Designed and Handmade by Oliver Höglund & Ryan Roberts

Embellish your walls with the Coral Stone wall light, available in both clear and frosted finishes. This statement piece adds a modern contemporary feature ideal for kitchens, bedrooms, bathrooms and entryways. The incorporation of a natural stone back accentuates the distinctiveness of this piece with its authentic and organic essence. Tailor it to your preferences by selecting a cover cap finish of brass finish, matte black, matte white, medium bronze or steel finish and set the mood of your space with a choice of warm, warm white, or white LED temperatures. Meticulously hand-blown using premium Swedish clear glass, each disc carries the distinctiveness of SOKTAS Glass designs, promising an unparalleled and personalised lighting masterpiece that adds both elegance and character to your space.

Hand Made in Currumbin, Australia.

GLASS INSTALLATION

To install the glass piece, hold the glass against the LED housing and thread the 30mm threaded cap into the LED housing. *Ensure the rubber o-rings are installed in the correct position, 1 behind the glass, and 1 in-front on the glass. If the glass is not held firmly when the threaded cap is fully screwed in, install an extra o-ring.
